
HAIR REMOVAL / QUOTE & BUDGET WORKSHEET

Compare the same appointment.

Bring this sheet to a consultation. Record the provider's estimate, including what is uncertain. Keep the completed copy privately.

Provider / date	Option A	Option B
Area and treatment goal		
Appointment minutes / price		
What does paid time include?		
Consultation / test treatment		
Supplies, card or other fees		
First-clearance estimate		
Expected schedule / review date		
Package expiration / refund terms		

A first clearance is one pass through the visible, treatable hairs in an agreed area. Ask whether quoted hours cover that pass or the whole plan.

Check applicable licensing, training, sterile single-use probes and experience with your hair and skin. Price is one part of choosing a provider.

HAIR REMOVAL / QUOTE & BUDGET WORKSHEET

Build a budget you can update.

Use actual appointment prices. The number of visits comes from your provider's estimate, not a standard requirement for a body area.

1. Lower estimate: _____ visits x \$_____ per visit = \$_____

2. Higher estimate: _____ visits x \$_____ per visit = \$_____

3. Consultation + agreed one-time fees: \$_____

4. Repeat fees / travel: _____ visits x \$_____ = \$_____

5. Planned total range: \$_____ to \$_____

6. Next review date / what would change the estimate?

Track what you actually pay

Date	Minutes paid	Appointment + extras	Running total
------	--------------	----------------------	---------------

Package buyers: count the package price once. Record remaining visits or minutes separately.
